

My Room Arrangement Improvement Plan

Go to the interest centers you listed on your participant handout. Circle any interest centers that have “/” to help determine interest areas you may want to separate. List any interest center changes you want to make to ensure you have at least five interest centers, and steps you will take, in the blue boxes below:

The interest center changes I will make in my classroom are:

The steps and time frames I will use to reach my interest center goals are:

Go to the interest centers you listed on your participant handout. Underline any quiet and noisy centers that are adjacent to each other. List any quiet and noisy changes you want to make, and steps you will take, in the green boxes below:

The changes I will make to separate quiet and noisy areas in my classroom are:

The steps and time frames I will use to separate quiet and noisy areas are:

Go to the interest centers you listed on your participant handout. Put a box around any areas that are walk throughs. List any walk through areas you want to address to allow protected play, and steps you will take, in the purple boxes below:

The areas I will address to ensure protected play in my classroom are:

The steps and time frames I will use to ensure protected play are:
